

# Registering For EBM IQ

Your Empire Sales representative should have provided you with an Activation code.

Go To <https://empire.myparadigmcloud.com/login>

## Existing Paradigm Users

Login using the same credentials that you already used with other Paradigm platforms (examples are Simpson Doors or Bayer Built Doors).

The image shows two side-by-side screenshots of the EBM IQ login page. Both pages have the title "EBM IQ" and the subtitle "One login for all Paradigm systems". The left screenshot shows the registration step: an "Email" field with "rachel@empireinc.com" and a "Next" button. Below it is an "Or" separator and a "Register" button. The right screenshot shows the login step: the same "Email" field, a "Password" field with masked characters and a "Show" button, and "Reset Password", "Back", and "Sign In" buttons. Both pages are powered by PARADIGM 3052.5.

You will be prompted to enter the activation code provided to you.

The image shows a screenshot of the EBM IQ activation code page. It has the title "EBM IQ" and subtitle "One login for all Paradigm systems". The main heading is "Activation Code" followed by the text "You are registered with Paradigm, need to activate for this system.". Below this is an empty text input field. Underneath the field is the word "Required" in red. At the bottom of the form are two buttons: "Try another email" and "Activate". The page is powered by PARADIGM 3052.5.

Select **ACTIVATE**

This process will link your existing login credentials for other Paradigm systems to your user with EBM IQ. Moving forward if you change your password on one of those accounts the password will also update on your other accounts as well.

## New Users

Select **REGISTER**

The image shows two screenshots of the EBM IQ registration process. The left screenshot is the 'EBM IQ' login screen, featuring the text 'One login for all Paradigm systems' and an email input field. A 'Next' button is visible, and a 'Register' button is highlighted with a red box. The right screenshot is the 'Register' form, titled 'Create your Paradigm account'. It includes fields for 'First Name' (Rachael), 'Last Name' (Larson), 'Email' (rachael@empireinc.com), 'Password', and 'Confirm password'. A 'Password strength' indicator shows 'Strong' with a green bar. There is a checkbox for 'Show Password' and a checked checkbox for 'By checking this box you agree to be bound by Paradigm's End User Agreement & Privacy Policy'. A 'Register' button is highlighted in green.

Fill out the Register screen as directed.

Note: A Strong Password is required. Until the bar under the Password field turns Green, it has not accepted the password.

A close-up of the password field on the registration screen. The password is masked with dots, and a green bar below the field indicates 'Password strength: Strong'.

Check the box for User Agreement Acceptance

Select **REGISTER**

Once you are registered, return to the log in screen. This time, enter the email address you used at registration and select **NEXT** instead of Register.

The image shows two sequential screenshots of the EBM IQ login page. The left screenshot displays the registration step with the email field containing 'rachel@empireinc.com' and the 'Next' button highlighted. The right screenshot displays the password creation step with a password field containing dots, a 'Show' button, and the 'Sign In' button highlighted.

Enter the Password you just set up. Select **SIGN IN**

The following screen will prompt you for an Activation Code. Use the Activation Code emailed to you by the EBM IQ team.

The image shows a screenshot of the EBM IQ activation code screen. It features a text input field for the activation code, a 'Required' label, and an 'Activate' button highlighted.

Select **ACTIVATE**

Your account will be activated, and you will be logged into the EBM IQ platform.
